ARTICLE I – RECOGNITION

1.01 BARGAINING UNIT DEFINED:

The Hillsboro City School District Board of Education, hereinafter referred to as the "Board", recognizes the Hillsboro Education Association, hereinafter referred to as the "Association", an affiliate of SWOEA/OEA/NEA as the sole and exclusive bargaining agent for all full-time and regular part-time certified employees including teachers, librarians, department heads, guidance counselors, regular full-time substitutes under contract (more than sixty [60] days), media and program specialists, and learning disability tutors and nurses. Excluded from the bargaining unit are the principals, head teacher, athletic director, school psychologists, speech and hearing therapist, and as needed substitutes under contract (O.R.C. 3319.10), and all other employees.

1.02 DEFINITION:

All bargaining unit employees shall be collectively referred to in this agreement as "teachers".

1.03 NON-DISCRIMINATION:

No teacher shall be required to be or to remain a member of the Association, nor shall any be discriminated against in any manner because he/she is or is not a member thereof.

ARTICLE II – NEGOTIATIONS PROCEDURE

2.01 PROCEDURE:

Either the Association or the Board may initiate negotiations by a Notice to Negotiate forwarded to the other party no sooner than one hundred twenty (120) days nor later than ninety (90) days prior to the expiration of the agreement. Within fifteen (15) working days of transmittal of said notice, the parties shall hold their first negotiation session. The first negotiating session shall be for the purpose of exchanging proposals and determining any ground rules deemed necessary. At any negotiation session either party may be represented by no more than six (6) representatives including consultants.

2.02 GOOD FAITH, EXCHANGE OF FACTS AND VIEWS:

Both parties shall bargain in good faith. Facts, opinions, proposals, and counterproposals may be exchanged freely between the parties in an effort to reach understanding and agreement. The teams will be cloaked with the authority to bargain and reach tentative agreement. Neither party shall be forced to make a concession.

2.03 SCOPE OF BARGAINING:

Negotiable matters shall be all matters pertaining to wages, hours, or terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement.

2.04 AGREEMENT:

When final agreement is reached through negotiations, it shall be reduced to writing and submitted for ratification to the Association. The Association shall ratify the tentative agreement at a general membership meeting. Upon ratification, the Association President shall notify the Superintendent in writing who shall then submit the ratified agreement to the Board for adoption. Upon official adoption by the Board, the agreement shall be signed by both parties.

2.05 DISPUTE SETTLEMENT PROCEDURE:

2.051 MEDIATION:

If, after forty-five (45) calendar days prior to the expiration of the agreement, agreement has not been reached on all items under negotiations, either party may call for the services of the Federal Mediation and Conciliation Service (FMCS) to assist in negotiations. If a party calls for FMCS involvement, the other party shall join in a joint request.

2.052 MUTUALLY-AGREED DISPUTE RESOLUTION PROCEDURE:

This dispute resolution procedure is mutually agreed to by the parties under O.R.C. 4117.14(C)(1)(f) and is intended to supersede the procedures contained in O.R.C. 4117.14.

2.053 MEDIATION PERIOD:

The mediation period shall be thirty (30) calendar days from the day the initial mediation session is held. The mediation period may be extended beyond the thirty (30) days by mutual agreement of the parties.

2.054 RIGHT TO STRIKE:

At any time after the initial thirty (30) calendar days set forth in 2.053 above, and assuming the contract has expired and no agreement has been reached, the employees in the bargaining unit represented by the Association shall have the right to strike provided that the Association has given a ten (10) day prior written notice of an intent to strike to the Board and to the State Employment Relations Board as required by 4117.14 of the *Ohio Revised Code*.

2.055 REOPENER:

For the purposes of this section, a reopener date shall be treated as if it is an expiration date for the purposes of allowing the Association the right to strike as provided by O.R.C. 4117.14 (D)(2).

2.056 FINAL STEP:

Both parties agree that this procedure is the final step in negotiations.

2.057 NO WORK STOPPAGES:

The Association agrees that during the term of this agreement neither it nor its officers, agents, representatives or members will authorize or engage in any work stoppage, strike, or other concerted refusal to perform contractual duties with the exception of 2.054 and 2.055 of this Article.

ARTICLE III – GRIEVANCE PROCEDURE

3.01 DEFINITIONS:

3.011 GRIEVANCE:

A claim based on an alleged violation, misapplication, or misinterpretation of a provision of this agreement.

3.012 GRIEVANT:

An individual teacher or the Association, whichever is initiating the grievance.

3.013 DAYS:

"Days" shall refer to work days exclusive of Saturdays, Sundays, or legal holidays as defined by state or federal statutes.

3.02 GENERAL PRACTICES:

3.021 REPRESENTATION:

No one shall be required to have representation at any level of this procedure. A grievant may be represented at any level of the formal grievance procedure by a representative of his/her own choosing.

3.022 PURPOSE:

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees.

3.03 GRIEVANCE PROCEDURE:

3.031 STEP ONE – (INFORMAL PROCEDURE):

Within twenty (20) days of the time a grievant knew or should have known of the alleged grievance, the grievant shall request a meeting with his/her immediate supervisor in an attempt to resolve the problem informally.

3.032 STEP TWO – IMMEDIATE SUPERVISOR (FORMAL PROCEDURE):

If the grievant is not satisfied with the results of the decision at Step One, the grievant may, within five (5) days subsequent to the Step One meeting, submit a formal written grievance to the immediate supervisor. The immediate supervisor will conduct a conference within ten (10) days at a mutually agreeable time and place. A written decision shall be rendered by the immediate supervisor within ten (10) days after the conference, and said written decision shall be given to the grievant.

3.033 STEP THREE – SUPERINTENDENT:

Within ten (10) days after receiving the decision of the immediate supervisor and assuming no satisfaction with the decision, a written notice to continue the process must be submitted to the Superintendent. If requested, the Superintendent shall meet with the grievant within ten (10) days after the grievance has been received by the Superintendent. A written decision shall be rendered by the Superintendent within ten (10) days after the conference and said written decision shall be given to the grievant.

3.034 STEP FOUR – MEDIATION:

If after receiving the decision at Step Three the employee remains aggrieved, the Association shall, in writing, request that the matter be submitted to mediation with the Federal Mediation and Conciliation Service (FMCS). This request shall be made within ten (10) days from the receipt of the decision at Step Three. The parties agree to participate in the mediation of all the issues set forth in the grievance(s) at the first meeting date available to the mediator, but no later than thirty (30) days from the filing of the request for mediation. If the mediation process is not successful and the employee remains aggrieved, the grievance may proceed to Step Five.

3.035 STEP FIVE – ADVISORY ARBITRATION:

Within ten (10) days after the mediation process ends but no later than forty (40) days from the filing of the request for mediation and assuming no satisfaction with the mediation, the grievance may be submitted to advisory arbitration. The parties may mutually agree to select an arbitrator. If the parties cannot agree on an arbitrator, either member may request the American Arbitration Association (AAA) to submit a list of seven (7) nominees. From this list, each party will have the right to strike one (1) name until one (1) name remains. The striking of the first name will be determined by the toss of a coin. Either party may request a second list.

The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. The decision shall be in writing, and a copy shall be sent to all parties present at the hearing. The decision of the arbitrator shall be advisory.

The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration, and shall have no authority to determine any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination. The arbitration shall not have the authority to add to, delete from or go beyond the express terms of this agreement. The arbitrator shall in no way interfere with management prerogatives involving Board discretion, nor limit or interfere in any way with the powers, duties, and rules and regulations having the full force and effect of the law.

The costs for arbitration shall be equally shared by the Board and the Association.

3.036 STEP SIX:

A grievance will culminate at advisory arbitration. The Association shall have the right to file a lawsuit rather than filing a grievance on any dispute which effects any provision of the negotiated contract. The Board will not oppose the filing of a lawsuit if the Association files a lawsuit as a contract remedy.

3.037 NOTICE TO ASSOCIATION:

The President of the Association shall receive prior notice of each meeting above Step One held to resolve a grievance formally filed. Decisions rendered at each formal level will be made in writing setting forth the decision and the reason(s) therefore, and will be transmitted promptly to all parties in interest, the President of the Association, and the administrator involved.

3.038 ADJUSTMENT OF GRIEVANCES:

Nothing contained herein will be construed as limiting the right of any bargaining unit member having a complaint or problem to discuss the matter informally with any appropriate member of the administration and having the complaint adjusted. The Association President will be advised of the adjustment.

3.039 GRIEVANCE RECORDS:

No records, documents, or communications concerning a grievance will be placed in a bargaining unit member's personnel file. The processing of a grievance through arbitration by a grievant shall not constitute a waiver of the grievant's right to file an action in a court of competent jurisdiction.

ARTICLE IV – MANAGEMENT RIGHTS

4.01 RECOGNITION:

The Association recognizes that the Board is the legally constituted body responsible for the management, direction, and control of all the public schools of the Board and employees and other personnel employed by the Board, and for the determination of all resolutions, policies, practices, procedures, rules and negotiations governing any and all aspects of the Board's school district.

4.02 RIGHTS DEFINED:

With the exception of all provisions found in this negotiated contract, these rights and responsibilities include, but are not limited to, the following:

2. To direct, supervise, evaluate, or hire employees.
3. To maintain and improve the efficiency and effectiveness of governmental operations.
4. To determine the overall methods, process, means or personnel by which government operations are to be conducted.

6. To determine the overall mission of the employer as a unit of government.
7. To determine the adequacy of the work force.
8. To effectively manage the work force.
9. To take actions to carry out the mission of the public employer as a governmental unit.

ARTICLE V – EVALUATION

5.01 TEACHER EVALUATION:

The teacher evaluation procedure contained in this agreement applies to teachers working under a license or certificate issued in accordance with the Ohio Revised Code and who spend at least fifty (50) percent of their time providing student instruction.

All teachers shall be observed at least twice during any evaluation cycle (school year). If the Board is entered into a limited or extended limited contract with a teacher pursuant to section 3319.11 of the Ohio Revised Code, the Board shall perform a minimum of three (3) formal observations during the evaluation cycle in any school year in which the Board may wish to declare its intention not to re-employ a teacher pursuant to division (B), (C)(3), (D), or (E) of that section.

No teacher shall be evaluated on his or her work performance except based on the observations of the teacher by the teacher's assigned evaluator and the walk-throughs that are set forth in this agreement.

A. OBSERVATION PROCEDURE:

1. By September 30 of each school year, teachers will be notified of the primary evaluator assigned to complete their evaluations, and the documents to be used will be shared. Any teacher hired after the beginning of the school year shall be notified within 15 work days of his/her first work day of his/her role in the evaluation process. All evaluators will be credentialed by the Ohio Department of Education and an administrator employed by the Board.
2. Administrators will conduct a preconference not more than five (5) work days prior to the observation utilizing the form mutually agreed upon by the HEA and the Board.
3. Administrators will conduct a post conference within five (5) work days of the observation utilizing the form mutually agreed upon by the HEA and the Board.
4. Administrators will provide the written report including commendations and recommendations within five (5) work days of the observation post conference utilizing the form mutually agreed upon by the HEA and the Board.
5. At least ten (10) work days must pass between the conclusion of a previous observation cycle and the start of a subsequent observation cycle.
6. Administrators will provide the completed written summative evaluation report including commendations and recommendations not later than May 10 utilizing the form mutually agreed upon by the HEA and the Board.
7. Copies of all completed Evaluation Forms shall be delivered only to the teacher, evaluator, and Superintendent of schools.

B. PERSONNEL FILE AND TIMELINES:

1. Evaluation Forms shall be placed in the personnel file.
2. The following time-line shall be followed for all formal evaluations:

During the month of September	Orientation for teachers to be formally evaluated.
On or before November 15	First obs. completed.
On or before November 25	Teacher provided first observation report.
Between Nov. 26 and Feb. 20	Second observation completed.
On or before Mar. 2	Teacher provided second observation report.
On or before May 1	Third observation completed if applicable.
On or before May 10	Teacher provided summative evaluation.
3. For teachers who are employed after the first school day of a school year, only those timelines that fall after their employment shall be applied to them. Reasonable adjustments of these timelines may occur upon written mutual agreement of the teacher and evaluator.
4. The written evaluations will be provided to the teacher within ten (10) school days of completion of the final observation. The written evaluation shall include all of the data used to support the conclusions of the evaluator. The written report of the results of the evaluation shall include specific recommendations regarding any improvements needed in the performance of the teacher and means by which a teacher may obtain assistance from the Administration in making the improvement.
5. During the evaluation process, the teacher will be told if the evaluator believes that a recommendation of nonrenewal may be made to the Board of Education. In such cases and if a teacher receives a rating of ineffective in one or more areas following an observation, a mutually agreed improvement plan will be developed during the evaluation process. If such an improvement plan is developed, teachers are expected to be partners in the development of an improvement plan. The teacher will be given a reasonable timeline, at least one month, to demonstrate acceptable improvement. The Administration may afford the teacher additional time to demonstrate acceptable improvement by recommending a one-year limited contract regardless of the provisions of Section 16.02 of this Agreement.

6. The teacher's signature on an evaluation form does not indicate concurrence. If a teacher believes he/she has been evaluated unfairly, the teacher has the option to submit in writing his/her own statement of response within ten (10) school days of receiving the evaluation report. These statements shall become a part of the evaluation package.
7. Standard forms shall be used on a district-wide basis for all evaluations and observations and will be developed with input from the HEA before use.

5.02 FORMAL EVALUATION:

1. Formal evaluation consists of not less than two observations each consisting of thirty (30) minutes. An overall recommendation for the teacher shall be provided by May 10.
2. Each observation shall be at least 30 minutes in length and shall be conducted openly with the full knowledge of the person being observed.
3. A teacher may request or an administrator may perform additional observations that shall not be used for harassment purposes. If one of the observations identifies an area of needed improvement or an overall unsatisfactory performance, the evaluator shall indicate on the evaluation form that an additional observation(s) will be performed. The teacher may request additional observation(s) at any time.
4. In the event the administrator determines that a teacher's performance requires a more structured Improvement Plan and heightened observation, the administrator shall notify and confer with the teacher concerning the goals, means of improvement, and expected outcome of such a Improvement Plan. The duration of the Improvement Plan shall be determined by the administrator with input from the teacher.

5.03 STUDENT GROWTH MEASURES:

- A. Student growth measures account for fifty percent (50%) of the teacher evaluation. Student growth is defined as the change in student achievement for an individual student between two or more points in time.
- B. The determination of the weighted values of student growth measures to be applied to teacher evaluations shall be made by teacher based teams and administrators.

5.04 WALK-THROUGHS:

- A. A walk-through is a formative written assessment piece that has the following components:
 1. The walk-through shall be at least five (5) consecutive minutes but no more than twenty-five (25) consecutive minutes in duration.
 2. A completed walk-through form including all scripted and/or anecdotal documents relative to the walk-through.
 3. At least two (2) walk-throughs shall be included in each observation cycle.

4. Final debriefing data gathered from the walk-through must be placed on the form mutually agreed upon by the HEA and the Board.
- B. The final debriefing must be shared with the teacher within two (2) work days.
- C. Walk-throughs cannot make up more than twenty (20)% of this evaluation (teacher performance component).
- D. Additional walk-throughs may be requested by teacher in addition to employer initiated walk-throughs.

5.05 EVALUATION COMMITTEE

- A. The Association and the Board agree to establish a standing joint Evaluation Committee comprised of members of the District Leadership Council for the purpose of evaluating the policy, procedure and process for the evaluation of certified teachers in the District.
- B. Committee Composition

The committee shall be comprised of four (4) Administrators appointed by the Superintendent, five (5) District Leadership Council members appointed by the Superintendent, five (5) District Leadership Council members appointed by the HEA President, and the HEA President.
- C. Committee Composition
 1. The committee shall be chaired jointly by a committee member from the Association and a committee member from the Board.
 2. Members of the committee will receive training in the state adopted Evaluation Framework model prior to beginning their work.
 3. The committee will establish by mutual agreement a meeting calendar and timeline for work completion.
 4. All recommendations of the committee will be achieved by consensus.
 5. Recommendations regarding the evaluation procedure and instrument shall be shared with the HEA and the Superintendent.
 - a. Any recommendation that pertains to Board policy shall be provided to the Board.
 - b. Any recommendation that is in conflict with the collective bargaining agreement will be subject to the normal negotiations process.

ARTICLE VI – TEACHER RIGHTS AND RESPONSIBILITIES

6.01 NORMAL TEACHING DUTIES:

The Board and Association acknowledge that a teacher's primary responsibility is to teach. Furthermore, they acknowledge that teacher responsibilities also include reflecting a professional image.

6.02 TEACHER SERVICE ON COMMITTEES AND DEVELOPMENT PROJECTS:

Teachers should serve on committees to which they may be appointed. These committees may deal with textbook selection, curriculum development, and other matters relative to the instructional program.

One (1) purpose of such committees is to enable the administration to utilize the advice, opinions, and assistance of the professional staff in the selection and implementation of projects and studies relative to the above-noted topics.

Upon completion of committee work, written recommendations and results of committee work shall be reported to the Superintendent and committee chairperson. Each member of the committee shall receive a final copy of the report upon request.

Committee assignments should first be staffed on a voluntary basis. If there is an insufficient number of volunteers, the principal shall assign teachers to perform extra duties as needed. Assignments will be distributed as equitably as possible through the school year. Teachers who serve more than one (1) building shall be assigned extra duties equitably with those teachers who serve only one (1) building.

6.03 SCHOOL PROPERTY:

Teachers shall reasonably try to protect any school property entrusted to them, including but not limited to Board-provided technology equipment. Any damage to school property should be immediately reported to the principal. Teachers who possess a Board-provided laptop are responsible for protecting and maintaining any records on the laptop that could be considered a public record.

6.04 WORKROOM:

Each building shall have a reasonable workspace designed to accommodate an employee workroom. The room shall usually include a pop machine, tables and chairs and a refrigerator. Teacher workspace will include computer access where possible. The Board and the Association agree and recognize that teachers' conversations in the workroom are generally considered private. The Administration in each building will endeavor to reinforce this confidentiality when and if there is an expressed concern.

6.05 PROFESSIONAL RIGHTS AND EXPECTATIONS:

The Board and the Association recognize that education is a profession that is dependent upon principles of mutual respect and ethical behavior in the interaction between the teaching staff and the Administration. These principles are demonstrated by, but are not limited to, respect for an individual's privacy, the confidentiality of communications, and the timely (generally within two school days) delivery of a response or other communication to an educator.

6.06 ELEMENTARY (K-5) BUILDING NON-INSTRUCTIONAL DUTIES:

The Association and the Board recognize that the assignment of non-instructional duties is challenging but necessary. The parties agree that the elementary building staff and the building principal shall jointly discuss the scheduling of non-instructional duties at the beginning of each school year. Any such bargaining unit member who thus receives an advancement of sick leave shall make written application on a form provided by the Treasurer on which he/she shall also verify the intention to return to the employ of the District upon recovery or to pay the value of such sick days advanced should he/she not return, such payment to be either by payroll deduction from money due him/her from the District or by direct payment. The sick leave advancement shall not be available after the third year of employment with the Board unless approved by the Superintendent in advance.

8.013 USE OF SICK LEAVE:

Sick leave days may be used for the following reasons:

- a. Personal illness.
- b. Personal injury.
- c. Exposure to contagious disease which could be communicated to others.
- d. Pregnancy.
 - (1) After the birth of a child, the mother's recuperation will generally require eight (8) weeks; more time may be necessary due to the specific circumstances. The teacher will provide the Board with a physician's statement indicating when the teacher is medically released to return to work; if that return is more than eight (8) weeks after the birth, a brief explanation by the physician will be necessary. All of this information shall remain confidential and not released as a public record.
 - (2) In the case of a member of the bargaining unit who is the father of a new born child, he may utilize up to five (5) days of available sick leave for the day(s) involved in the delivery of the child and the day of the child's discharge from the hospital.

A. Purpose: To donate additional days of sick leave to employees who have used up all personal sick leave days.

B. Provisions of Eligibility:

1. All members of the bargaining unit represented by the HEA shall be eligible to be members of the Sick Leave Pool.
2. At the start of each school year, all eligible employees may enroll in the S.L.P. before October 1. Initial membership will consist of the deposit of two (2) non-refundable days of sick leave, to be deducted from the employee's sick leave accumulation and transferred to the S.L.P. prior to October 1. Members of the S.L.P. during the previous year will not be required to give the two (2) days. This 2-day membership requirement is a one time, new membership requirement.
3. Employees must join by October 1 of each year. Membership shall be continuous unless canceled, in writing, to the Treasurer's Office. Any break in membership will constitute a new membership in any future application to the program. New employees hired after the start of the school year may enroll within one month of employment.
4. If fifteen (15) participants are not enrolled by the initial enrollment deadline of October 1, the Pool will not be established for that school year.

C. Operational Procedures:

1. Withdrawals will be limited to participating employees for use only in cases of the employee's own, or a member of the employee's immediate family, catastrophic personal illness, injury or non-elective surgery occurring under unusual, severe or emergency conditions as determined by the S.L.P. Committee.
2. Applications for Withdrawals from the Sick Leave Pool must be made on the Sick Leave Pool Form. A physician's statement is required with each application in order for it to be considered.
3. A withdrawal will be considered only after the employee has used all of his/her accumulated sick leave and personal leave days, has used all possible advances of sick leave days, and is not eligible for disability leave under any Ohio Retirement System. During this time of S.L.P. usage, sick leave and personal leave accumulation will be used prior to a withdrawn day being used.

4. Under this procedure, a day donated is equivalent to a day used and S.L.P. accounting will be based on the concept of days donated and days withdrawn.

D. Sick Leave Pool Committee:

1. The Sick Leave Pool is to be regulated by a committee consisting of two (2) members of the HEA bargaining unit to be selected by the President of the HEA, one of whom shall be co-chairman, and two (2) administrators to be selected by the Superintendent, one of who shall be co-chairman. Any action or decision of the Committee will require a majority vote by the entire Committee.
2. The Sick Leave Pool Committee shall develop its operational rules/guidelines that shall be shared with the President of the HEA and Superintendent. The Sick Leave Pool Committee shall from time to time revise its operational rules/guidelines when necessary. Any operational rule/guideline or revision shall be consistent with the provisions of this negotiated provision and shall not conflict with, modify, or otherwise alter the terms of this negotiated agreement.

E. Withdrawal Procedures:

1. The maximum number of times a person may withdraw from the Pool is two times per incident, with 30 days the maximum per request. Sixty (60) days maximum per incident.
2. Withdrawals of sick leave from the S.L.P. shall not require any payback by the acquiring member.

F. Policy Procedures:

1. In consideration of the benefits of participating in the S.L.P., each applicant for membership in the Pool and for benefits from the Pool shall, as a condition to such application, agree in writing as follows:

“I specifically acknowledge and agree that the granting of days from the S.L.P. shall be at the sole discretion of the S.L.P. Committee. All decisions of the S.L.P. Committee will be final and binding but not subject to grievance. I further agree to abide by such decision and to indemnify and hold harmless Hillsboro City Schools, the S.L.P. Committee, and all of their agents for any loss they may sustain as a result of any claim or legal proceedings I may bring against any of them with respect to a decision made by and of them concerning this application.”
2. Application for the S.L.P. days must be made in writing to the Treasurer on a form developed by the S.L.P. Committee.
3. The S.L.P. Committee shall meet and render a decision within ten (10) days of receipt of request.
4. Unused requested days shall be returned to the S.L.P.

5. a. It is agreed that the new operations of the Sick Leave Pool (beginning in the 2007-2008 school year) shall assume that every bargaining unit member as of the ratification and adoption of this procedure shall be a participating member of the S.L.P. and that the aggregate number of donated sick leave days shall be 500. (No additional donations will be required from current bargaining unit members until the S.L.P. fund balance is below 50 days.)
- b. Thereafter, the S.L.P. will require two (2) days from each new contributing employee. When the fund is depleted below fifty (50) days, each participant who has an accumulated sick leave day will be assessed one (1) additional day. The S.L.P. Committee shall be responsible for notifying employees, in writing, anytime an additional day is assessed.

If the employee's physician is unable to certify that the employee is able to resume his/her full and normal job duties without limitations, the attending physician shall provide the specifics on any limitations/restrictions in place and the likely duration of such. In the event there are restrictions/limitations, a meeting will be held with the employee before a determination is made on whether the employee may or may not return to active working status. The principal shall direct a complainant to first discuss the concern with the teacher. However, the Principal may initially engage in an informal discussion with the teacher about concerns expressed prior to the initiation of further steps in the complaint procedure. 21.022 STEP TWO: NOTIFICATION TO TEACHER:

Whenever a complaint, whether orally or written, is made by a student, parent of a student, or any member of the public concerning a teacher's professional conduct, service or character, the building principal shall inform the teacher of the nature of the complaint immediately. 21.023 STEP THREE: INFORMAL CONFERENCES:

The teacher shall meet with the principal concerning any complaint prior to meeting with the complainant(s). At the subsequent meeting, the teacher, complainant(s), and the principal shall attempt to resolve the complaint(s).

If requested by the complainant or the teacher, a meeting involving the teacher, the principal, and the complainant will be arranged at a mutually convenient time to discuss the complaint.

21.0252 SUPERINTENDENT LEVEL:

If it is not resolved at that level, it may be presented to the Superintendent.

21.0253 BOARD LEVEL:

If it is still unresolved, it may be presented to the Board.

21.03 RIGHT TO REPRESENTATION:

In each of the steps above, a teacher may request, and be accompanied by counsel or representative of his/her choosing. Any conference regarding such complaints shall be private.

21.04 WRITTEN COMPLAINTS:

Written complaint forms shall not be placed in a teacher's personnel file but shall be retained in a separate "Complaint file." No information in this Complaint File shall be used in any disciplinary action, unless it is substantiated and moved into the member's personnel file.

Prior to any recommendation based upon financial reasons, the Superintendent and Treasurer shall meet with the HEA representatives and discuss the intended recommendation.

22.02 SUSPENSION OF CONTRACTS:

Reductions shall be made by suspending contracts. Those contracts to be suspended will be chosen as follows:

22.021 SENIORITY LIST:

 - 3. When evaluations are comparable, by least seniority in the School District

For the 2013-2014 school year, all evaluations will be deemed comparable for the purposes of RIF.

For the 2014-2015 and 2015-2016 school years, evaluations resulting in the same rating shall be deemed comparable. In determining the applicable evaluation rating, the Board shall rely on the average rating received in the previous three (3) years or the number of evaluations available if there are less than three.

Reasons for layoff of any member shall not be arbitrary, capricious or discriminatory.

22.024 RECALL:

- A. The names of teachers whose contracts are suspended in a reduction-in-force will be placed on a recall list for up to twenty-four (24) months. Teachers on the recall list will be recalled in reverse order of suspension for vacancies in areas for which they are certificated/licensed. If reinstated during this recall period, a teacher shall retain all previous accumulated seniority.
- B. A teacher to be recalled will be notified in writing via certified U.S. mail and email to the teacher's last known address and District email address and by phone to the number on record before the vacancy is posted or otherwise filled by any person other than a substitute. Any teacher who declines reinstatement or fails to respond within ten (10) working days of the notice of recall shall forfeit reinstatement rights and shall be removed from the recall list.
