### Hillsboro City Schools

2017-18

### Home/School Compact

We all share in the responsibility for improving your child's achievement. The following role descriptions are some of the ways we can help one another with this important job.

Please read, with your child, and sign the statements below; then return it to your child's teacher. If there are any questions or concerns, please contact your building principal.

**As a school, your child's principal and your child's teacher, we will:**

- Provide high quality curriculum and instruction in a supportive and effective learning environment to help your child meet academic achievement standards.
- Provide parents with frequent reports on their child's progress.
- Provide parents opportunities to volunteer and participate in their child's school.
- Be available upon request at parent/teacher conferences or other meetings that are needed.

**As a parent or guardian, I/we will:**

- Make sure that our child attends school regularly.
- Makes sure homework is completed and books are returned to school.
- Talk with our child about what they are learning at school.

**As a student, I will:**

- Do my homework and ask for help when I need to.
- Read at least 30 minutes each day outside of school time.
- Give my parent/guardian information or letters sent home from my school or teachers.

Thank you for supporting the partnership between school and home.
