COMMITTEE REPORTS:

Rhoads – Reported that she attended the January 11, 2012 Great Oaks Board of Directors meeting. All Board of Directors were sworn in by William Hasten. Jim Perdue was elected Chairperson and Sue Steele Vice-Chairperson. Meeting Dates were established on the second Wednesday of each month. The district marketing and recruitment plan for
Great Oaks is to give the opportunity for students at Great Oaks to earn certification and licensures to help in their career paths. Adult and secondary students have the opportunity to earn credentials for forty-five career fields at Great Oaks. She reported that this year Great Oaks will serve 11,602 students in 24 affiliated districts, 2 hospitals, 3 colleges, and 1 bank. The 2011 audit report received an unqualified opinion. The February 8, 2012 meeting Beverly reported that the Alternative Center is an option for out of school suspension and expulsion. Last year, 91% of those students assigned successfully completed their assignments and returned to class; this year, 99% completed their programs. Great Oaks also refinanced the 2008 debt and will save over a half million dollars in interest costs.

Barnhouse – Reported that on January 28, 2012 he attended a training session for new Board Presidents. They talked about a number of things including management, school law, ethics, policy and grievance. It was a one day session and about 50 new Board Presidents were in attendance. There were only a few from around our area in attendance one being from Washington CH and one from Manchester. As mentioned at the last Board Meeting the Symphonic Choir was chosen to sing this coming Friday. Three high schools in the state were chosen and it is a great honor. He also wanted to thank all of the positive comments from the newspaper. On April 13 & 14th a Board Leadership Institute is being offered in Columbus. This is a very valuable experience if anyone wishes to consider going to this. Also, there is a four county board meeting on March 27th at Washington CH. Everyone should have received a flyer on this. We can all go together and this will be counted as a board meeting. Please let us know by the 16th if you plan on attending. Beverly and I did compile the evaluation of the Treasurer and went over the evaluation with her and a copy was put in her personnel file.

Myers – Reported that the Athletic Council met the other day and basically just a brief overview of the sporting events that are coming up. The Boys Basketball team is to play Fairland on February 24th at 6:00 p.m. and the Girls Basketball team just played Monday and fell short but did very well. MS Sports Awards Banquet is tomorrow at 7:00 p.m. Mr. Walker asked Mr. Myers if he had heard anything on the applications for the grants for the lighting of the soccer field. Bill said that we did not get this grant but they were applying for another one.

Earley – He congratulated Beverly Rhoads on her OSBA Award of Achievement she will receive on March 13th. Please let someone know if you want to register for the March 13, 2012 Southwest Region Spring Conference at Scarlet Oaks Campus. He reported that we are looking into offering universal breakfast to all students free. We will try a pilot in April to determine whether we will move forward next year. The art students did very well at the competition at Southern State Community College, South Campus. He also told Sam good luck tomorrow he is having orthoscopic surgery on his knee tomorrow. He is hoping that his pain will go away.

Jerry – He had nothing to report this month.

Terry – Reported that he also attended the meeting for the Athletic Council. Bill pretty much summarized everything that went on in his report. He wants to thank all of the winter sport athletes for participating and all of the hard work they do for their athletics and also school work. Thank you to all that participate. He also reported that the Business Advisory met on January 17th with a great turn out from business leaders. There are a lot of good ideas that come out of the meetings that can and do help our students.
