Ben Teeters
Treasurer

11/24/2020

Dear School Community,

Hillsboro City Schools is committed to the safety and health of our students and staff. We want to inform you that we have received information that a student at Hillsboro High School has tested positive for COVID-19.

Hillsboro City Schools will remain open at this time. We worked closely with the Highland County Health Department and anyone identified as a close contact has been notified by our school nurse as a part of the COVID-19 investigation. If you have not been notified by our school nurse or the health department your student was not identified as having close contact with the positive case.

Thank you for helping to keep people safe and to slow the spread of COVID-19 in our community and school.

Sincerely,

Mr. Davis

How You Can Help

Be proactive about reducing the number of interactions that students and staff have with one another by practicing social distancing (staying at least 6 feet apart) to limit the spread of COVID-19. In addition to physical distancing, these important tools help to prevent the spread of COVID-19:

- Stay home when you are sick.
- Wear a mask or face covering while in public places or if people who don't live with you must visit your home.
- Avoid unnecessary gatherings with people who don't live in your home.
- Avoid sharing food, drinks, or utensils.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use alcohol-based hand sanitizers that contain at least 60% alcohol.
- Cover your coughs and sneezes with a tissue, and then dispose of the tissue and wash your hands immediately. If you do not have a tissue, use your sleeve, not your hands, to cover coughs and sneezes. If you are experiencing cough or congestion, consider staying home and seeking medical care.
